About Us

A lot of hard work, dedication and patience is needed to gain the kind of success, we, Unitech Fibre Glass Enterprises have gained in such a short time-period. We started off our journey in the year 2000 and are counted amongst the leading Manufacturers and Service Providers of our industry. We deal in comprehensive range of PVC Fibre Sheet, FRP Doors, PVC Sheets, Poly Carbonate Sheets, FRP Bath Tub, Air Ventilators, FRP Chairs, Domestic Fibre Item, Industrial Fibre Component, Automobile Component and different type of domestic and allied products and the quality of these products is at par with the ISO 9001:2008 standards.

Through our products and FRP Chemical Lining Work, Cooling Towers, FRP Cooling Tower Fan, E-Rickshaw FRP Top, Modular Kitchen & FRP Dustbin and other services as like Fittings all those our components, we are serving to the application requirements of several industrial sectors and are gaining immense popularity. In attaining this success, several factors have played a pivotal role but our backbone has been our company owners, also our mentor, Mr. Rajkumar Asati & Ms. Neetu Asati. They support and guide the team as they have rich expertise in this industry.
